Project Josiah Mission Statement

To bring Combat Veterans together to strengthen, to share and to improve their lives; to empower them to make choices using biblical principles; to heal themselves and to enable them to help other Veterans.

Biblical Principles

The biblical principles for Project Josiah Restoration Ministry come from 2 Corinthians Chapter 1: "Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort, who comforts us in all our affliction, *that we may be able to comfort those who are in any trouble, with the comfort with which we ourselves are comforted by God*" (verses 3&4).

Veteran's Testimonial

"The Combat Vet Support Group has been instrumental in aiding me in my recovery. My name is Timothy Shoenfelt and I suffer from a traumatic brain injury and PTSD, from the injury that occurred in Iraq. I was medically retired after 13 years of active service in the Infantry.

I became so depressed I rarely left my apartment for over two years. By the grace of God, Chaplain Farmer was placed in my life. With his help and the loving support of the other Combat Vets I was introduced to, I was able to regain some of my life back. The struggle is ongoing, but knowing you're not alone is a huge comfort and relief. Knowing other service men and women feel like you feel, gives you a sense of normalcy. The Support Group is key to an otherwise locked door. Veterans helping Veterans is paramount in the healing process, and that is what PJRM has reinforced and brought to the table.

The Group not only brings you closer to others but closer with your walk with God. He is the true and sole entity that will bring relief to our pain."
